The BackPack program is designed to meet the needs of hungry children at times when other resources are not available, such as weekends and school vacations. Backpacks are filled with child-friendly, non-perishable, easily consumed, and vitamin-fortified food. The BackPack Program is a national program of Feeding America™.

49% of children in Columbiana, Mahoning and Trumbull counties are eligible for free and reduced price meal programs.

Second Harvest Food Bank of the Mahoning Valley currently operates two BackPack Programs in the Mahoning Valley.

Each Friday during the school year, the Food Bank supplies 300 children in our community with food to eat over the weekend.
